

2010 ENVIRONMENTAL MANAGEMENT SEMINAR

March 17 – 18, 2010

JW Marriott Hotel
New Orleans, Louisiana

Sponsored by
U.S. Poultry & Egg Association's

- Are you in compliance with recent environmental regulations?
- What's the latest in wastewater optimization and cost savings?
- Is your wastewater treatment plant ready for an OSHA inspection?
- Is your company environmentally sustainable? Get answers to these and other questions when you attend USPOULTRY's Poultry & Egg Institute's 2010 Environmental Management Seminar.

Protecting our environment is an economic and social concern around the world. As the poultry industry grows and expands, effective environmental management continues to be critical in today's poultry and egg industry. So don't miss hearing this valuable information. [Register today!](#)
