

2009 Information Systems Seminar

July 20-22, 2009

Destin, Florida
Sandestin Golf & Beach Resort

Information Systems Management ...The Key to Technology Solutions!

Sponsored by
U.S. Poultry & Egg Association's

THE POULTRY & EGG
INSTITUTE

USPOULTRY's Poultry & Egg Institute's **2009 Information Systems Seminar** is an excellent venue to keep up to date and stay abreast of the latest in information systems and technology affecting today's poultry companies. Computers

are found throughout poultry operations, from live operations to processing to administration. And the programs must be continuously refined and updated to maintain productivity and efficiency in the poultry and egg industry.

Industry information systems managers have designed a program that will give you a balanced view of current and emerging technology. Don't miss this valuable learning opportunity.

Register early!
